OmegaOne

# FITTINGS MADE EASY.

# Fittings. Made. Easy.

**OmegaOne. Making your life easier with Performance, Quality, Service and Support.**

## Performance

Responsive sales and inventory. Same day shipping stock inventory of items not available elsewhere!

## Quality

ISO 9000-2015 Certified. DFAR compliant product manufactured in the USA with complete MTR traceability.

## Service and Technical Support

Our trained and professional sales team is ready to support with personal and responsive service.

**Skip the hassles. Choose OmegaOne for Fittings. Made. Easy.**

When you need....

**Technical Support –** Do you have questions about industry standards and specifications? Our trained professional sales staff is ready to answer your questions.

**Solution Provider** – Where other manufacturers fall short, OmegaOne succeeds!

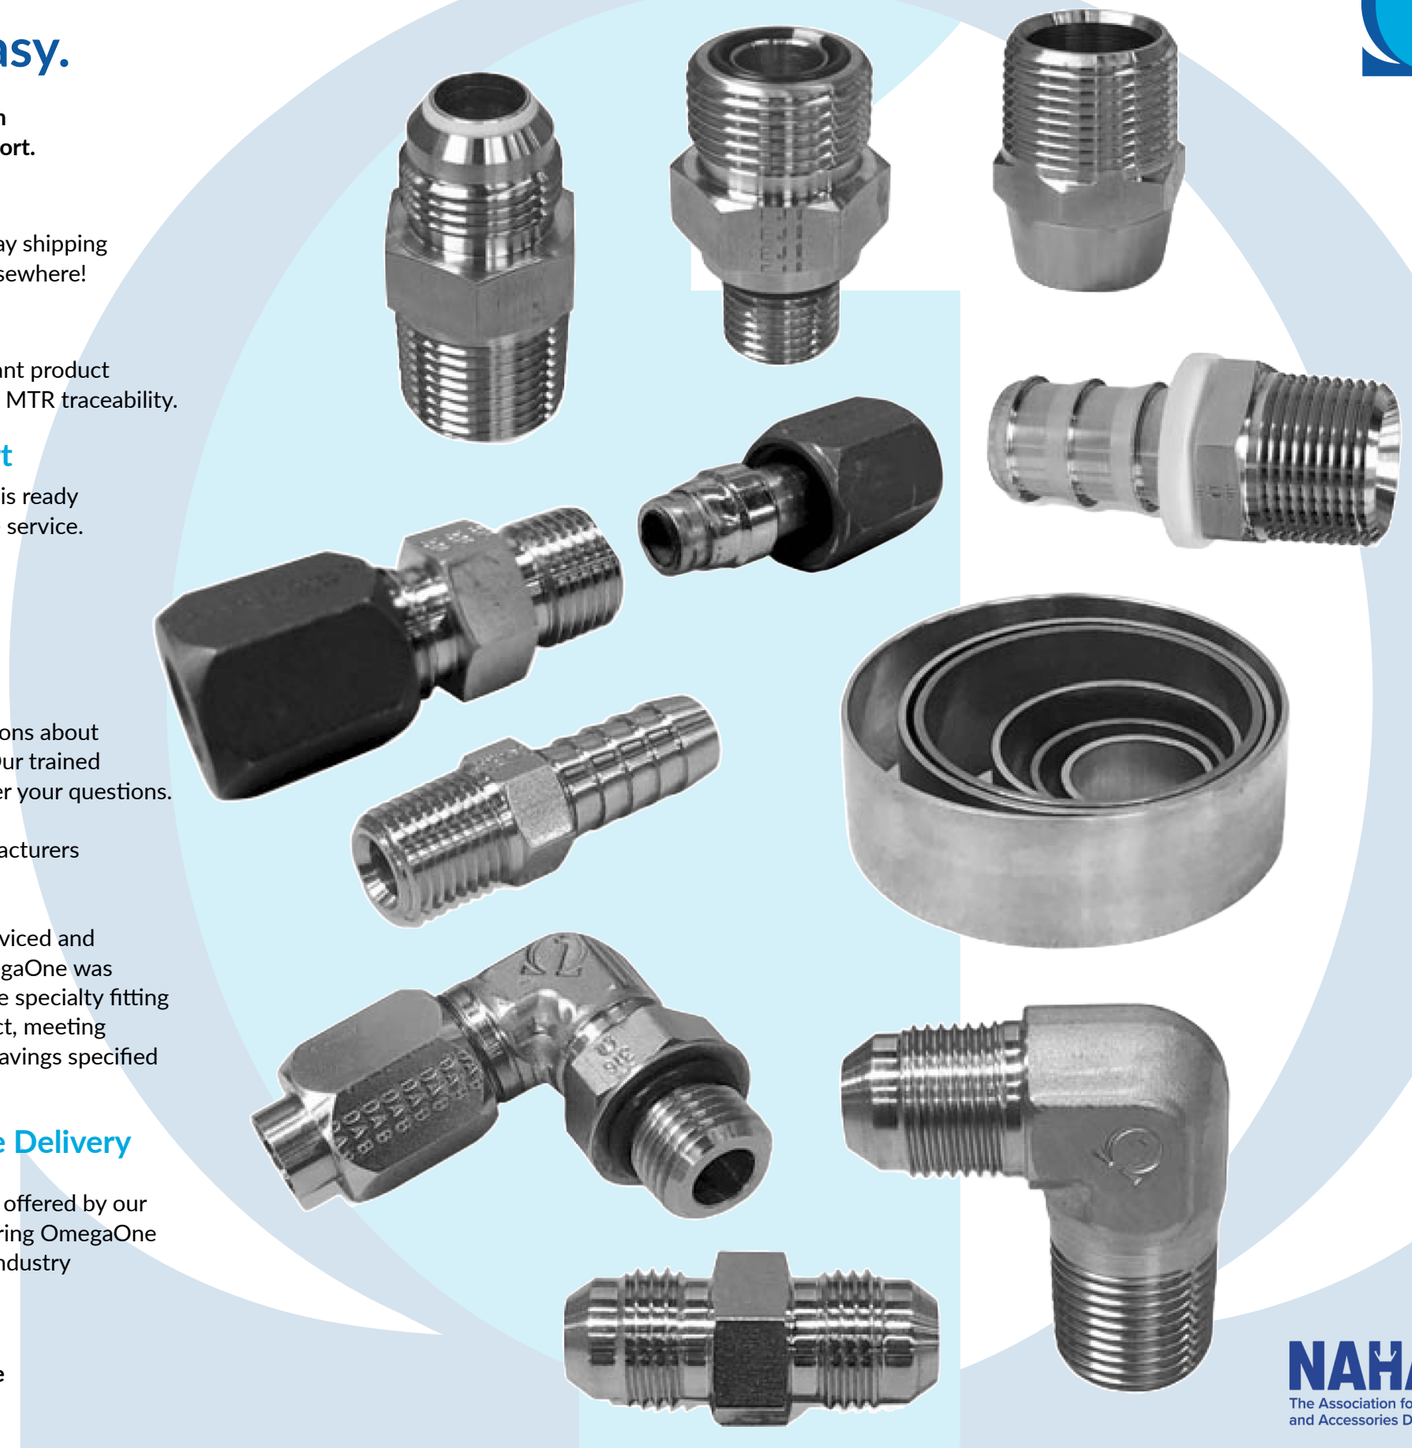

When a leading manufacturer under-serviced and over-charged for a specialty fitting, OmegaOne was contacted. We stepped in, developed the specialty fitting in record time providing a quality product, meeting delivery targets and achieving the cost savings specified by the customer.

## Quality Product and On-Time Delivery

No time to wait for extended lead times offered by our competition? With domestic manufacturing OmegaOne is ready to respond to your needs with industry leading deliveries.
